Mr. Don W. Fullmer
2563 North 250 West
Clearfield, Utah 84015

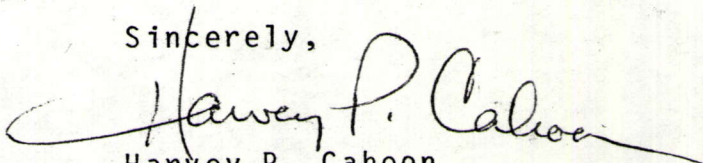

Dear Don:

Thank you for forwarding to me the letter you received from the Division of Oil, Gas, and Mining. I have enclosed the copy you sent me.

We feel that we have performed the reclamation work as agreed by you and the Forest Service. We were prepared to do what was required by the reclamation regulations, but agreed with you and the Forest Service to limit the work to preserve the economic value of the pit. We should not now be held accountable to post a bond for your benefit to keep the pit open.

We reclaimed the land in good faith and feel our obligation is fulfilled.

Sincerely,

Harvey P. Cahoon
Assistant General Manager
